Alexandria, VA 22313-1450

June 25, 2003

Sir:

The following preliminary amendments and remarks are respectfully submitted in connection with the above-identified application.

IN THE SPECIFICATION:

Please replace the original specification with the attached Substitute Specification.

IN THE CLAIMS:

Please amend the claims as follows:

1. (Amended) A throttle system, having
a throttle body, wherein a through hole is formed to receive one end of the shaft of a throttle valve to be inserted there-through, a bearing recession, with a
